Legendary guitarist Steve Vai will present his latest album, *Inviolate*, at the Teatro Cervantes, on the first of seven dates planned in Spain on his new European tour. *Inviolate* is the ninth solo studio album by the American musician; a new collection of instrumental songs, in which he introduces new and virtuosic techniques and probe his ability to construct melodies. Tracks with jazz and blues structures in which unexpected notes and dazzling effects appear.
Steve Vai remains unclassifiable. He is a musical alchemist of the highest order. Throughout the years, Vai has awed fans of all genres with his exceptional guitar skills and musicianship.
The virtuoso guitarist, composer and producer, is considered by many as one of the greatest guitarists of all time. In over 40 years in the industry, Vai has sold over 15 million records, received three Grammy Awards, and recorded with music legends like Frank Zappa, David Lee Roth, Whitesnake and many more. Vai has also toured extensively and recorded live projects with G3 (collaborating with different touring lineups including Joe Satriani, John Petrucci, Eric Johnson, Yngwie Malmsteen, and Steve Lukather) and Generation Axe, a supergroup Vai formed with Zakk Wylde, Yngwie Malmsteen, Nuno Bettencourt and Tosin Abasi. He has created music for blockbuster films, bestselling video games, national sports franchises and corporate brand initiatives. His career accomplishments have earned him honorary doctorates from Berklee College of Music and Musicians Institute.
