2020 ARTISTIC PRODUCTION AWARD GIVEN BY THE MALAGA CITY HALL AND THE LA CAIXA FOUNDATION

The 4x2 project involves literature, music and performance. Each composer works with a poet on a premise: the creative musical idea has to be related to the poet's text, and in turn, the poet must be inspired by the composer's musical ideas and thoughts. Once the four stories have been generated -with different approaches, performances, aesthetics, instruments and electronics- they are passed to the performer, who adds his/her own conception and interpretation .

Pilar Rius and Elisa Urrestarazu have worked together since 2019, when they launched the *Ómicron XXI* project in the Galileo Theatre of Madrid and later presented at the Escuelas Pías of the UNED, the Pompidou Museum in Malaga and the
