Hilo rojo takes the audience on the invisible paths of life. Togetherness beyond perception, the irremediable path towards the other, the mystery surrounded by chance in the face of what we cannot understand or explain, is a voyage towards what is and what cannot be remedied.
After passing through Acuario Teatro and El espejo negro, in 2015 Compañía LaPili gained prominence with its show *Concierto íntimo*, giving new form and a personal touch to songs in which there is more than just singing. Live musical performance is a priority in all its shows (*Aluné*, *Versión original*, *Chamana*, *Íntima Navidad*, *Soy como soy* and *Hilo rojo*), merging in a single voice the emotion and mixture of drama and comedy.
