Maruja the farmer gets up with the crowing of the rooster, she rubs her eyes and washes her face like a cat. We are going to spend the day with her at the farm: we'll wake the animals, give a bottle to four baby pigs, cure Ms She-Wolf's neighbour thanks to the five wolf cubs, we'll look for five dozen eggs, and dance rock and roll with Miranda, the old sheep. Cock-a-doodle-doo!

TEATRO CERVANTES | ECHEGARAY DE MÁLAGA

And for embellishments, we'll have some surprises, sounds, boxes, instruments, silence and magic. What came first, the chicken or the egg?

Teloncillo Teatro is a professional theatre company from Valladolid that celebrated 50 years of theatrical activity in 2018. For the last 22 years, its projects are exclusively devoted to girls and boys: poetry, songs and live music are its distinguishing marks.
