The future is right around the corner, and it is not pleasant: pandemics, nuclear threats, climate change, depletion of resources…but humor will be the lifeboat that avoids our catastrophic sinking.
La terminal del amor is very black comedy which will make spectators roar with laughter at human miseries (disease, addictions, religious obsessions, bullying…) in a hopeless post-apocalyptic world in which love triumphs and makes what is happening meaningful.

Manquita, Inclusive Theatre Festival was created in 2022 with the objective of raising awareness, promoting and disseminating inclusion in the performing arts and the activities carried out by professionals, associations and entities in Malaga to make

the experiences of persons and groups working in this field visible, and to have said experiences acknowledged. Manquita is sponsored by the Fundación Málaga, with the support of ONCE, the Teatro Cervantes of Malaga, and Area of Culture of the Malaga City Hall and the Department of Culture of the Malaga Provincial Government.
