PENEQUE Y LA PLANTA CARNÍVORA
[Peneque and the carnivorous plant]
Producciones Infantiles Miguel Pino
With Miguel Pino, Antonio Pino and Tina Madrina
50 min. Glove puppets and actors. From 3 years
www.peneque.com
King Simpatias and his daughter Princess Linda are preparing a trip to the fascinating jungle of the Amazon. Someone else joins them from the very beginning…a very pleasant old lady who is an expert in exotic plants. She gives them some seeds to plant some marvelous flowers. The story goes pear-shaped when they discover that the charming old lady is no other but the frightening Witch Aliquindoy, whose objective is to create a carnivorous plant species with which to take over King Simpatias' kingdom... Bolo discovers the secret to defeat the Witch and her plant, asking the children for help, which they do by shouting the magical question "Peneque, Peneque, where are you?"

MAGIA Y OLÉ
La Fábrica de la Magia
With Paco Taconyc (magician) and Cuko Rodriguez (clown)
1.00 h (w/out intermission) Theater with magic. For all ages
www.lafabricadelamagia.com
The magician Paco Taconyc is the new owner of the flamenco club Magia y ole?, and is planning his first show, *The Grand Reopening*. But his assistant the clown Cuko Tres Pelos, who loves flamenco, will try to ruin the inauguration. A great deal of magic, of humour… and some other surprises.

JUEGOS EN FAMILIA
[Family games]

El panadero y el diablo, by Javier Villafañe
[The baker and the devil]
El payaso jardinero y ***La princesa del lugar***, by Julio Gallo
[The gardener clown and The local princess]
Creation, manipulation and stage direction Julio Gallo
Musical selection Wagner Gallo
45 min. Glove puppets. From 3 years
This is traditional puppet theatre in which three very amusing stories succeed in inciting children's participation from the beginning. Two very friendly baby siblings will present the stories and accompany them with their classic pranks.
Angeles de Trapo is a family company with 40 years of experience in puppet theatre, during which it has always aimed to innovate, surprise the audience and set new trends in the world of puppetry. At present it is recognised for the professional quality of its productions.
