Tangoria reconstructs the poetic facet of the music of the composer and bandoneon player Astor Piazzolla. The scores have been carefully arranged for the trio's instruments, maintaining the voices and fundamental features in order to preserve the music's essence. This show offers a personal vision of some of Piazzolla's tangos, in which the energy and depth they transmit prevail. Poetry, music and dance offer a new perspective of 'rioplatense' tango.
