A night at the opera is a unique and innovative musical experience. Following the success obtained in 2018 with the performance of Carmina Burana and in 2019 with A la española..., the orchestra of the Manuel Carra Professional Conservatory of Music of Malaga, comprising over 100 students, including the ones in their last year of professional musical training, the choir of students enrolled in professional studies and soloists in the specialty of voice, have been assembled once again to present this original opera gala, in the course of which fragments from emblematic operas will be heard, including *Le nozze di Figaro* and *Don Giovanni* by W.A. Mozart, *Carmen* by G. Bizet, *Nabucco* and *I trovatori* by G. Verdi, *Madame Butterfly* and *Gianni Schicchi* by G. Puccini and *The Merry Widow* by F. Lehár.
