MaF 2021 Closing Concert BROMO

No Signal

bromo-idm.com

Paloma Peñarrubia and Azael Ferrer present, exclusively for MaF 2021, the musical proposal *No Signal* that transcends the world of sound and converts the closing concert into an incredible experience. Bromo is an audiovisual show comprising electronic music and generative art. With its direct, spirited staging, forceful sounds and complex structures full of images designed to more and captivate spectators, this project is one of the most promising of the national circuit.
