Eleftheria Arvanitaki is back again with a very special project: an unplugged version of the songs that have marked her career and the presentation of the ones that will form part of her next album, *Ta megala taxidia* (*Long term voyages*).
Tireless ambassador of Greek music for more than three decades, since the beginning of her career Eleftheria has followed the wake of traditional *rebetiko* music, with influences from Asia Minor and contemporary Hellenistic and Mediterranean music. A unique mixture of styles enhanced with her clear and deeply emotional voice.
