"*Vigor Mortis* is a story of nightmares and daydreams, a tragicomic journey from heaven to the unfathomable depths of the human soul. An eviction from one's abode; exile from life as a metaphor of the last voyage. *Vigor Mortis* is conceived under the wing of the unusual character of ordinary things, reflected by the details of gestures, melancholic gazes and the uncertainties of daily events. " OtraDanza
The company OtraDanza, founded by Asun Noales in 2007, is known for productions based on a physical and poetic language and painstaking staging. Its repertoire comprises a large diversity of projects and formats dealing with innovative and social committed themes. It has built a network of permanent synergies with the needs of its surroundings and also implements artistic-pedagogical. Since 2012, it coordinates the Festival Abril en Danza in Elche and Alicante.
