Alfonso de la Pola (Rolabola). National Circus Award with his company Rolabola in 2017

Magician Puk. Visual comedy (without words) that combines clown, theater, pantomime, emotions and magic.

Fran Qué. Specialist in children's magic. Among his awards and recognitions are a second and a third National Magic Award in the Children's category with the company Ludus.

Pedro Elis. Jerez juggler member of the fourth generation of the Los Bassy circus family. He will seek just before the 19 + 1 Jajejiojú gala and on the Cervantes stage his sixth Guinness record: he will try to keep four regulation basketballs in the air simultaneously and push them at least 183 times.

Pablo Cánovas. At only 20 years old, Pablo already has a consolidated career full of passion, strength, energy and a lot of magic.

Juan Luis Rubiales. An ace of the deck with fresh and calm humor, he has been professionally in the magical world since 2007, where he is considered the heir to the techniques of the crooks and charlatans of the fairground.
