Got Rock! is a music talent contest full of fun, surprise and music to the rhythm of rock'n roll. Robin, Bimba y Bombo, Koko, Albertini and Ricky Martin arrive full of energy to overwhelm the stage with their songs and try to reach first place and win, and you will be the only one to decide. A show of novel, dynamic and interactive ventriloquy in which you will also participate.

The multifaceted artist from Albacete Francis Zafrilla –clown, storyteller, ventriloquist, magician...– will visit us with a single objective: to transmit his energy, his art, his joy, his excitement. Everything he does is marked with great technical and artistic quality, sobriety and effectiveness in implementing his projects.
