A tireless pilot, an inquisitive spirit and brilliant writer – that was Antoine de Saint-Exupéry. Well ahead of his times, his passion for discovering the world took him places no one before had ever imagined. He dreamt beneath the stars of the Sahara desert, fell in love in Argentina, self-exiled in New York and finally, during a wartime mission, he lost himself forever with his thoughts in the waters of the Mediterranean. The story of the creator of *The Little Prince* is one that is worth telling. Get ready to embark with the musical Antoine and discover Saint-Exupéry's extraordinary story, which will teach you to see with the heart, because as he said, "what is essential is invisible to the eye".
