www.tutatis.es

Compared to his friends, Elmer is not a boring elephant; he is multicoloured. This classic children's book by David McKee tells Elmer's story and his day to day in a world where all his friends are the colour of "elephants". A show in which convention is put aside and highlights the importance of being oneself, transmitting very important positive values such as respect, acceptance and diversity.

Tutatis Producciones Teatrales is a Catalan production company and distributor with more than 30 years of experience in the field of the performing arts, events, theatrical shows, street animations and concerts. Through different family theatre companies, street theatre and animations, its projects have achieved renown and prestige in Spain and abroad.
